

## ACT October 2023 Newsletter

**Thank you to Sponsors, Volunteers and Participants for an amazing TrailFest 2023!**

The ACT 2023 TrailFest was a great success, thanks to generous sponsors, fabulous volunteers and of course, the 150 TrailFest runners, 13 youth cyclists and their fans, who cheered them on. Mother Nature blessed the day with terrific weather conditions for the race and the post- race celebration. A special thank you goes out to ACT Trailblazer volunteers, who constructed 50 boardwalk bridges and then hauled them into place just in time before the race to keep runners' feet out of the mud.

*Mark your calendars for TrailFest 2024, to be held on  
Saturday, September 21, 2024!*
